

ANJAL SATYAL

PRE-PRODUCTION • PRODUCTION • POST-PRODUCTION SPECIALIST

Patan, Lalitpur, Nepal | [9745332796](tel:9745332796) | workxanj@gmail.com

PROFESSIONAL PROFILE

Creative production professional with hands-on leadership experience across pre-production, production, post-production, graphic design, and visual storytelling for brand and social media campaigns. Currently pursuing a fourth-year degree in Computer Engineering at IOE Pulchowk Campus, combining technical expertise with a detail-oriented and strategic approach to creative production.

Experienced in managing the complete production pipeline—from ideation, concept development, scripting, and shooting to editing, motion graphics, color grading, sound design, and final delivery. Skilled in leading and mentoring creative teams, maintaining high visual standards, and ensuring projects are delivered efficiently and consistently.

Operating at the intersection of design, video, technology, and content strategy, with a strong focus on building scalable production workflows and repeatable systems that keep multi-platform campaigns creative, cohesive, on-brand, and on schedule.

PROFESSIONAL EXPERIENCE

Production Executive — *Digital Gurkha*

2025 – 2026

- Supervised end-to-end post-production workflows — editing, color grading, sound design, and final delivery — for a continuous slate of client and in-house video projects.
- Led and mentored a team of video editors, reviewing cuts and providing feedback to maintain brand-consistent, broadcast-ready output across every deliverable.
- Designed and implemented standardized production pipelines and reusable visual templates, reducing turnaround time and improving cross-project consistency.
- Partnered closely with creative and marketing stakeholders to align final visual output with brand guidelines, campaign objectives, and client expectations.
- Acted as the final quality checkpoint before delivery, catching technical and creative issues ahead of client review.

Content Lead & Campaign Manager — *FD-Motors Nepal*

2024 – 2025

- Directed brand identity design and promotional graphics for multi-platform campaigns, ensuring a cohesive visual language across all touchpoints.
- Owned content creation end-to-end — ideation, scripting, shooting, and post-production — for social and marketing channels.
- Built visual content strategies aligned to marketing and brand objectives, translating campaign goals into a consistent content calendar and creative direction.
- Mentored content creators and established design workflows and quality standards that improved consistency and output speed across the team.

- Designed graphics and edited video content for social media, marketing campaigns, and product promotions across multiple client accounts.
- Created reusable visual templates and brand-consistent content guidelines to streamline future production.
- Wrote scripts, captions, and promotional copy to complement and strengthen visual storytelling.

Video Editor & Social Media Manager — Locus — IOE Pulchowk**2022 – 2024**

- Designed visual assets and edited videos for campus events, club campaigns, and social platforms.
- Managed social media accounts end-to-end, including content calendars and posting schedules, to grow and maintain audience engagement.
