PROFILE

Versatile creative professional combining graphic design and video production expertise. A fourth-year Computer Engineering student at IOE Pulchowk Campus with a strong eye for visual aesthetics, brand storytelling, and content strategy. Proven track record leading design and post-production teams across brand identity, digital campaigns, and multi-platform content.

EXPERIENCE

Digital Gurkha

2025 – 2026

PRODUCTION EXECUTIVE

- Supervised end-to-end post-production including editing, color grading, sound design, and final delivery
- Led and mentored a team of video editors ensuring brand-consistent, high-quality output
- Established production pipelines and standardized visual templates to improve efficiency
- Coordinated with creative and marketing teams to align visual output with brand standards

FD-Motors Nepal

2024 – 2025

CONTENT LEAD & CAMPAIGN MANAGER

- Designed brand identity assets, social media visuals, and promotional graphics for multi-platform campaigns
- Led end-to-end content creation: ideation, scripting, shooting, and post-production
- Developed visual content strategies aligned with marketing and brand objectives
- Mentored content creators and established design workflows and quality standards

Wrapsy

2022 – 2024

CONTENT WRITER & VIDEO EDITOR

- Designed graphics and edited video content for social media, marketing campaigns, and product promotions
- Created visual templates and brand-consistent content guidelines
- Wrote scripts, captions, and promotional copy to complement visual content

Locus — IOE Pulchowk

2020 – 2022

VIDEO EDITOR & SOCIAL MEDIA MANAGER

- Designed visual assets and edited videos for campus events, campaigns, and social platforms
- Managed social media accounts, content calendars, and posting schedules
